National University Corporation Nagoya Institute of Technology
（2004.4.1）

Faculty of Engineering Day Courses

・Life and Materials Engineering
・Environmental and Materials Engineering
・Mechanical Engineering
・Electrical and Electronic Engineering
・Computer Science
・Architecture and Design
・Civil Engineering and System Management

・Life Science and Applied Chemistry
・Physical Science and Engineering
・Electrical and Mechanical Engineering
・Computer Science
・Architecture, Civil Engineering and Industrial Management Engineering

・Creative Engineering Program

Faculty of Engineering Evening Courses

・Materials Engineering
・Mechanical Engineering
・Electrical and Computer Engineering
・Civil and Environmental Engineering

・Materials Engineering
・Mechanical Engineering
・Electrical and Computer Engineering
・Civil and Environmental Engineering

Graduate School of Engineering

・Materials Science and Engineering
・Engineering Physics, Electronics and Mechanics
・Computer Science and Engineering
・Architecture, Civil Engineering and Industrial Management Engineering
・Environmental Technology and Urban Planning (1997.4-2008.3)
・Architecture and Civil Engineering
・Techno-Business Administration
・Frontier Materials
・Scientific and Engineering Simulation
・Cooperative Major in Nanopharmaceutical Sciences (2013.4)

・Life Science and Applied Chemistry
・Physical Science and Engineering
・Electrical and Mechanical Engineering
・Computer Science
・Architecture, Civil Engineering and Industrial Management Engineering

・Cooperative Major in Nanopharmaceutical Sciences

・Nagoya Institute of Technology and University of Wollongong Joint Degree Doctoral Program in Informatics (2018.3)

Master Course

・Life Science and Applied Chemistry Program
・Physical Science and Engineering Program
・Electrical and Mechanical Engineering Program
・Computer Science Program
・Architecture, Civil Engineering and Industrial Management Engineering Program
・Creative Engineering Program
・Innovation Program

Doctoral Course

・Life Science and Applied Chemistry
・Physical Science and Engineering
・Electrical and Mechanical Engineering
・Computer Science
・Architecture, Civil Engineering and Industrial Management Engineering
・Nanopharmaceutical Sciences
・Nagoya Institute of Technology and University of Wollongong Joint Degree Doctoral Program in Informatics
