

## Memorandum of Understanding

Between

**Maebashi Institute of Technology and the Faculty of Engineering, Kasetsart University**

Maebashi Institute of Technology in Maebashi, Japan, which will be referred to as “MaebIT” and the Faculty of Engineering of Kasetsart University in Bangkok, Thailand, which will be referred to as “KU Eng” enter into the following terms of agreement with respect to furthering scholarly and educational collaborations.

1. MaebIT and KU Eng agree to cooperate in a spirit of mutual understanding and goodwill and to strengthen ties of friendship between Japan and Thailand through such activities.
2. Through close mutual cooperation, MaebIT and KU Eng shall engage in exchanges of faculty members, researchers, and students, as well as scholarly publications. Both parties shall act to develop joint research projects and promote a broad range of scholarly and educational exchanges.
3. This memorandum of understanding does not include any immediate funding. However both parties shall support their joint programs whenever it is feasible. In general, each side shall bear the cost for its participation in projects and activities unless otherwise agreed upon.
4. This memorandum of understanding shall become effective from the date of signing by both parties and shall be reviewed every five years thereafter, unless either side notifies, in writing, the other of its intention to terminate it.
5. Either party may choose to terminate this memorandum of understanding in advance of its normal expiration by providing the other party with six months’ prior written notice. In this case, the program(s) or the activity(ies) already approved by both parties shall be allowed to be completed under the conditions of this memorandum of understanding.

This memorandum of understanding is signed in two identical copies.
